### Stretching

Canvas stretching services pricing formula:  
Add length plus width, then multiply by 2

#### Examples:

18x24:  $(18+24) \times 2 = \$84$

20x30:  $(20+30) \times 2 = \$100$

Larger frames need corner bracing and/or center supports which are priced at \$0.24 per linear inch.

Custom built 1.5" stretcher bars are also available at \$0.27 per linear inch with support bars at \$0.24 per linear inch. Call for exact quote.
